61<sup>st</sup> ANNUAL HOUSTON  
BOAT SHOW

JANUARY 8-17

nrg center

Welcome to the 61<sup>st</sup> Annual Houston Boat, Sport & Travel Show! It's been a while since you've come out and shown with us, and we'd love to have you join us this year for another successful show. This is an event where consumers pay to attend the show to buy your products or services. The Show creates the ideal sales environment where you can reach a season's worth of qualified customers who see, touch, compare and buy products. You can even accelerate the sales process by offering discounts or incentives for purchases made at the show. But you can't accomplish any of this unless you are there. Here are a few details about the show:

## HOUSTON INTERNATIONAL BOAT, SPORT & TRAVEL SHOW, INC.'S RULES AND REGULATIONS

The following are the rules and regulations which must be followed by all exhibitors at a boat show (the "Show") organized by Houston International Boat, Sport & Travel Show, Inc.

**ELIGIBILITY REQUIREMENTS:** An exhibitor desiring to exhibit boats ("Exhibitor") during the Show must:

- a) be a retail boat dealer or broker with a retail sales location in the Houston Metropolitan trade area, which is defined as that area within a 50-mile radius of City Hall in downtown Houston, Texas; and
- b) have (i) a valid Texas boat dealer marine license specific to the above-referenced retail sales location; (ii) a valid Texas trailer dealer license specific to the above-referenced retail sales location;<sup>1</sup> (iii) a valid Texas sales and use tax permit; (iv) a boat dealer agreement or motor dealer agreement that is applicable to the Houston Metropolitan trade area;<sup>2</sup> (v) service facilities in the Houston Metropolitan trade area sufficient to perform usual and customary warranty work on all boats or motors sold; (vi) a multiyear lease agreement covering the above-referenced retail sales location, unless property is owned by the applicant;<sup>2</sup> and (vii) permanent outdoor signage displayed at the above-referenced retail sales location.

The Houston International Boat, Sport & Travel Show, Inc. reserves the right to waive any of the preceding requirements. At its sole discretion, the Houston International Boat, Sport & Travel Show, Inc. may refuse to sell exhibit space to any person or entity.

<sup>1</sup> This requirement does not apply to yacht dealers or yacht brokers.

<sup>2</sup> If submitting proof of a dealer agreement or lease agreement, an applicant must black-out any and all financial information contained in the submitted materials. Failure to do so may result in denial of the application for exhibit space.

Factory Display: (1) If manufacturer does not have a retail dealer for the Houston Metropolitan trade area exhibiting in the Show throughout Show dates, this contract becomes null and void; (2) Only dealers exhibiting in the show may participate in manning manufacturer's space.

1. No Exhibitor can promote or sell any boat or RV brand for which they are not currently an authorized dealer (with a signed dealer/manufacturer agreement) specific to the retail sales location specified on this contract, unless the Exhibitor was an authorized dealer for that brand when the inventory was purchased and can provide documentation to verify. Exhibitors may display or sell previously authorized inventory up to one year after date of dealer/manufacturer agreement cancellation.
2. No fuel is permitted in any motor or tank; fuel caps must be taped or locked. Batteries must be disconnected.
3. Stairs, three (3) steps and higher, must have standard, hard handrails with midrails on both sides.
4. No dollies or wheeled vehicles, with the exception of handicap equipment, are allowed on the show floor during public Show hours while the NRG Center (sometimes referred to herein as "building") is open to the general public.
5. No factory-direct selling is permitted in open area exhibits.
6. No painting of signs, displays or other objects is permitted inside the facility.
7. No signs may be hung from any building structure except by official Show decorator. This includes ceiling, air conditioning units and utility lines.
8. The Exhibitor shall not allow nails, screws, or tacks to be driven into the building walls or pillars, nor deface the same in any way, nor shall the pillars be used as hoists.
9. Carpet must be pre-cut to fit only the area of the Space and must not extend into any other areas including traffic aisles.
10. All banners hung from the ceiling must have a minimum of 16 feet from the floor to the bottom edge of the banner. The maximum allowable banner height hung from a catwalk will be 14 feet. Banners cannot extend into aisle ways, but must be hung over leased exhibit space only. This rule does not apply to banners hung along the outside walls of the building.
11. New boats, motors, trailers, PWCs and RVs are permitted only in open space unless written permission is obtained from Houston International Boat, Sport & Travel Show, Inc. ("Show Management"); all accessories are limited to booth space unless written permission is obtained from Show Management. Exhibitors are not permitted to display used boats, motors, trailers, PWCs or RVs in the Show without written approval by Show Management. Display materials, including photos, easels, and display boards of brokerage or used boats, motors, trailers or RVs are restricted to booth exhibits and may not be displayed in any open space exhibit. Conversely, new boats or RVs can only be promoted in open space exhibits, not booth exhibits.
12. No exhibitor may purchase more than two spaces that are over 10,000 sq. ft. each. Total combined square footage for all spaces cannot exceed 32,000 sq. ft.
13. No boats, RVs or campers may be parked on the parking lot during Show hours unless in paid exhibit area.
14. No automobiles, vans, jeeps or pick-up trucks may be displayed without the express written consent of Show Management.
15. No heavy lift equipment may be brought into the building by an Exhibitor. Only the drayage contractor, with which the Show has an agreement, may bring such equipment into the building.
16. Any equipment requiring raising and lowering of freight doors cannot be removed once established as an exhibit after the official opening of the Show.

17. No open space exhibit may have dividers, drapes or any solid construction in excess of 3 feet. Open area spaces are defined as all areas other than 10 feet x 10 feet booths. Closing booths may be up to 5 feet in height. **NO EXCEPTIONS.** Any closing booth found objectionable by Show Management will be removed.
18. No booth exhibit may exceed the 8 feet backdrop height or the 3 feet side-divider height except an end cap booth. Booths are defined as the inline 10 feet x 10 feet areas. End cap booths are defined as those booths that go across the end of each row. An end cap booth may have a 10 feet wide backdrop up to 8 feet tall that is centered across the 20 feet side of the booth. The outside 5 feet on each side of the 8 feet backdrop may be up to 4 feet in height.
19. There must be no solid construction or object blocking fire exits, fire hoses or the adjacent booths.
20. Booth Exhibitors must have legitimate exhibits in booth areas. Exhibitors will not be allowed to set-up with only table and signs to solicit names and prospects. Booths must be manned at all times during Show hours.
21. No Exhibitor shall sublet in any fashion any part of their contracted space, nor display the name of any other firm contributing to said exhibit, without the written consent of Show Management in advance.
22. No Exhibitor will be permitted to move into the Show without full payment for the contracted space and receipt of an acceptable certificate of insurance that complies with the Exhibitor Insurance Requirements attached. Applicant authorizes Houston International Boat, Sport & Travel Show, Inc. to convert checks into electronic funds transfer (EFT) or paper draft and to debit their account for the amount of their check. In the event that the draft or EFT is returned unpaid, applicant agrees that a fee of \$35 or the maximum amount allowable by law may be charged to their account.
23. All Exhibitors will be confined to working directly in their exhibit areas (not in aisles).
24. Special Promotions:
  - a) All drawings for prizes and give-aways must be registered with and approved by Show Management and held before close of Show.
  - b) Show Management must be advised of the name(s) of all prize-winners before close of Show.
25. No raffles are permitted.
26. No balloons are acceptable in any form. Sales of food or food-related merchandise, T-shirts, buttons, novelties, miscellaneous apparel items, toys or stick-on decals will not be permitted unless specific written approval is obtained from the building and Show Management. These rules are in accordance with concessionaire and Show Management.
27. No sound equipment or sound making devices, which can be heard, outside your exhibit area will be permitted. DVD/TV monitors/Computers must be placed 8 feet inside exhibit areas. No microphones. No copyrighted music permitted.

30. NO ALCOHOLIC BEVERAGES may be brought into the building in violation of the alcoholic beverage license held by the building's official concessionaire. Also, no alcoholic beverages purchased in the building may be taken out of the building.

### Exhibitor Liability Insurance Program

As a standard requirement for all of our show exhibitors, it is necessary for exhibitors to carry general liability coverage from an insurance company in good standing with minimum policy limits of \$1,000,000 per occurrence and \$2,000,000 aggregate. Houston International Boat, Sport & Travel Show, Inc., The Boating Trade Association of Metropolitan Houston, and NRG Center shall be named as additional Insured.

This insurance must be current and active during the lease dates of the event, January 5-18, 2016.

### **This program is valuable for:**

- Exhibitors who do not have the insurance required.
- International Exhibitors whose liability insurance will not cover them at a U.S. Show.
- Companies who do not have the time to deal with all of the certificate arrangements and need coverage now.
- Exhibitors who find it easier or advantageous to use this program, rather than their corporate insurance; (i.e. renting a car and do not want to use your own auto insurance.)
- Should there be a claim, it will not tarnish your policy and rates. And, unlike most corporate policies, there is no deductible.
